

# Intake Policy

The Clarke County Animal Shelter is a public animal shelter that accepts from the Clarke County Sheriff's Office or Animal Control Officer all animals that are impounded, seized, or found running at-large in the county.

The Clarke County Animal Shelter accepts stray, abandoned, unwanted, and/or surrendered animals from residents of Clarke County only.

During times of heavy shelter population, animal owners may be asked to delay surrender or seek alternatives. The shelter can provide a list of resources as an alternative to surrender.
