

Casey's House, Inc. Intake Policy

Casey's House, Inc. receives many requests to place cats with us. Because we are a no-kill facility, we are not able to take every cat. We limit our intake based on the current capacity. **It is important to know that we will ask for a surrender fee to help care for the cat you would like to place with us.** When sanctuary space is available, preference will be given to cats with non-medical issues; i.e. litter box and semi-social.

To request an intake of an **Older or Special needs Cat**, please first submit the **CAT INTAKE APPLICATION** You will be contacted once the application has been reviewed. Please allow 2 business days for this process. *We do not have a waiting list.* If we do not have the space for your cat, you are welcome to check back with us at a later time.
