

Giles Animal Rescue Inc.  
Intake Policy

GAR will accept animals, primarily dogs and cats into rescue as space is available and preliminary evaluation.

Potential GAR animals are accepted in first come first serve basis, dire need given first consideration. Animals accepted are owner surrenders, strays and through releasing agency status with Giles County Animal Shelter.

**Intake Process**

When an animal is found as a stray:

1. Report to the Animal Control Officer (ACO).
2. Animal is vet-checked, tested and vaccinated to give minimum protection to other animals in foster.
3. Foster picks up animal at vet.

When an animal is surrendered by owner:

1. The owner will fill out and relinquish ownership form.
2. Owner transports animal to vet, drop off point.
3. Vet checked, tested, vaccinated and if appropriate will be spayed/neutered prior to being released to foster.

**Information Collected During Intake**

1. Owner relinquishments form if an owner surrender.
2. Veterinary Records from owner, if applicable.
3. Veterinary report during initial exam.
