

Northern Virginia Sheltie Rescue is a non-profit 501(c)(3), all volunteer organization established in 1999 to rescue, rehabilitate and rehome Shelties and Sheltie look-alikes.. Most of these Shelties have been relinquished to NVSR by owners unable to keep them. Others are found in shelters, because they are strays or have been abandoned. All our Shelties are fostered lovingly in NVSR volunteers' homes (we do not have a shelter), and medical needs are addressed promptly and fully, including spay or neuter. They are then eligible to be adopted to carefully chosen homes, where they will be loved, well cared for and protected. For the remainder of the adopted dogs' lives, NVSR stays in touch with the adoptive families.
