

**Bully Paws Pit Bull Patriots, Inc. Intake Policy**

Bully Paws Rescue is a foster-based rescue. The number of dogs we can take in at any time is determined by the availability of a suitable foster home for the animal(s). All foster families are volunteers and may refuse to foster any animal(s) that they do not think will be a good fit in their household.

Any individual surrendering an animal to Bully Paws must sign a document surrendering full legal custody of the animal(s) to Bully Paws.

Bully Paws Rescue representatives receiving animals from another releasing agency will sign a document indicating that BP assumes full legal custody of the animal(s).
