

Montgomery County Friends of Animal Care & Control  
PO Box 133 Christiansburg VA 24068

---

Montgomery County Friends of Animal Care & Control (FACC) is the 501c3 non-profit organization dedicated to improving and saving the lives of the homeless animals in Montgomery County, Virginia through the Montgomery County Animal Care and Adoption Center by providing financial support, foster homes, dedicated volunteers, community education and outreach.

MCFACC will review animals to take into Foster from the Montgomery County Animal Care and Control Center on a case by case basis. We will consider animals that have extenuating circumstances that may be difficult to adopt out from the County Animal Center. This will include animals that may have behavioral or medical needs. All animals considered for foster will undergo behavioral assessment tests by an approved and qualified animal behaviorist.

Applications are received on an on-going basis and are considered when a particular need arises. Foster placements are approved by a majority vote of the Montgomery County Friends of Animal Care and Control Board of Directors. All animals will be up to date and sterilized prior to foster placement.
