

## Bay Beagle Rescue Intake Policy

DIRECTORS MUST APPROVE ALL INCOMING ANIMALS. APPROVAL IS DETERMINED BY THE AVAILABILITY OF A FOSTER HOME, THE APPARENT MEDICAL CONDITION OF THE ANIMAL AND OUR ABILITY, FINANCIALLY, TO MEET THEIR NEEDS. THEY MUST HAVE A RABIES VACCINATION BEFORE COMING TO BBR. ALL INCOMING ANIMALS WITHOUT PROPER VACCINES WILL BE TAKEN TO OUR VET TO BE UPDATED BEFORE GOING TO THE FOSTER HOME. ALL INCOMING ANIMALS MUST BE SEEN BY A MEMBER OF OUR BOARD BEFORE ENTERING A FOSTER HOME.
