

Davey's KitCats

Intake Policy

- The final decision regarding the intake of a cat will be made by the Davey's KitCats Board of Directors using a consensus process.
- Davey's KitCats volunteers are not permitted to initiate intake of a cat on our behalf without the express approval of the Davey's KitCats Board.
- Davey's KitCats always accepts cats previously adopted from our rescue. These cats will be evaluated for adoption prior to placement.
- Cats who are directly referred by an animal shelter, veterinarian, or third party rescue organization and are in danger of being euthanized will be accepted into our rescue as a priority.
- Owner relinquishments and stray cats are accepted on a case-by-case basis.
- Intake procedures and policies are determined by the Davey's KitCats Board of Directors and may be reviewed periodically at the Board's discretion.
