

# For the Love of Poodles Rescue

Richmond, VA

## Intake Policy

For the Love of Poodles Rescue accepts dogs of all ages, breeds, size, health, and dispositions.

Each new arrival is evaluated and receives the following, if applicable:

- Wellness Exam
- 4DX Heartworm Test
- Vaccines: Rabies, Distemper, Bordetella
- Microchip
- Spay/Neuter
- Dental
- Monthly Flea/Tick & Heartworm Prevention
- Extra care as needed (e.g. blood work, surgery)- Paid for by the rescue

Once the dog has received the necessary medical care, the rescue will evaluate the dog's behavior. If needed, the dog will go through a training program to ensure the dog is safe to be adopted.

After the dog has been fully vetted, it will be placed for adoption through the website and announced on the rescue's Facebook page.
