

Lucky Dog Animal Rescue works with shelters that have high euthenasia rates. We look for animals to have the following before we bring them into our care:

## **DOGS**

- Health
  - 2 DAPP vaccines
  - Bordetella vaccine
  - Rabies vaccine if over 12 weeks old
  - Heartworm negative or treated for heartworm if over 6 months old
  - Spayed or neutered if over 5 months old
- Behavior
  - Tested well with other dogs
  - No history of aggression towards people

## **Cats**

- Health
  - 2 FVRCP vaccines
  - Rabies vaccine if over 12 weeks old
  - Spayed or neutered if over 5 months old
  - FIV and FeLV negative
- Behavior
  - Tested well with other cats
  - No history of aggression towards people
