

Lucky Dog Animal Rescue works with shelters that have high euthanasia rates. We look for animals to have the following before we bring them into our care:

DOGS

- **Health**
 - 2 DAPP vaccines
 - Bordetella vaccine
 - Rabies vaccine if over 12 weeks old
 - Heartworm negative or treated for heartworm if over 6 months old
 - Spayed or neutered if over 5 months old
- **Behavior**
 - Tested well with other dogs
 - No history of aggression towards people

Cats

- **Health**
 - 2 FVRCP vaccines
 - Rabies vaccine if over 12 weeks old
 - Spayed or neutered if over 5 months old
 - FIV and FeLV negative
- **Behavior**
 - Tested well with other cats
 - No history of aggression towards people
