Tax ID 83-3751869

Smyth Animal Rescue & Resource Center's mission is to save homeless dogs and cats from euthanasia at local/regional shelters, and to elevate the community's understanding of adequate pet care. We provide animals with temporary boarding and basic wellness services until we can transport them to receiving rescues in other areas of the state and northeast.

Smyth Animal Rescue receives dogs and cats from Smyth County Animal Shelter, Smyth County Humane Society and other regional public shelters and rescue groups. In-take is limited based on the space and resources available to properly care for each animal. Owner surrender pets are accepted on a case-by-case basis.

THANK YOU FOR SAVING LIVES – TOGETHER!
