Animal Intake Policy

No More Chasin Tails accepts unweaned, kittens under 8 weeks old, pregnant/nursing ferals and friendly cats.

1. Our adoption focus means we work to find homes for all the healthy and treatable animals under our care, with euthanasia reserved only for untreatable and unmanageable animals.
2. Animals are evaluated on a case-by-case basis and we accept all animals that can be housed and managed with the resources available.
3. Appropriate transfer/surrender paperwork is to be completed in full and the cat/kittens will be placed in foster care until the disposition of the animals has been established.
