

Bunny Lu Adoptions, Inc.

Founded in 1999 Bunny Lu is a 501 (c)3 registered non profit rabbit rescue . We typically take in 150 – 200 buns a year and find them indoor homes where they will be loved and cared for the rest of their lives . At any time we have 50 – 60 rabbits at the rescue and in foster homes . We take rabbits in when local and sometimes not so local shelters are full or have rabbits with medical or behavioral issues . We prioritize taking in at risk rabbits from shelters but do also accept owner surrenders on a limited , case by case basis and accept rabbits that may not be in a shelter but are in a life threatening situation .
