

## **INTAKE POLICY**

Purrrty Pawz Rescue Inc. has a strict no-kill policy; which means that we will not euthanize animals, except if the animal is suffering and there is no hope for recovery. All animals are in dedicated, qualified foster homes for as long as necessary until adopted by a qualified applicant.

Purrrty Pawz Rescue Inc. focus is our unsheltered community cats however if we have an available foster we will intake pets from community members that are in need of rehoming their pet and shelters/rescues. Our intake policy is as follows:

1. Fill out a surrender form
2. All vaccines must be updated
3. All medical records must be turned over at time of intake
4. Medical evaluation completed before time of intake
5. Dogs must be on a leash

We strive to take as many animals as possible, but have a limited number of fosters. Therefore we use Petfinder and our social media platforms to help get pets adopted so we can intake more.

Purrrty Pawz Rescue Inc. strongly recommends the spaying and neutering of dogs and cats in order to reduce the number of unwanted or surrendered pets in our area.

We do require a surrender fee
